COMMITTEE REPORTS:

Education – Kyle, we've had 3 meetings throughout the year, our spring meeting in Lewiston at the High School, the Property Tax Institute at Sunday River in May, and our winter meeting here at the Wishcamper Center.

Our meeting at Lewiston HS in February 2018, will have better signage for parking. Overall, the venue was terrific and the food excellent. Property Tax Institute (PTI) will again be held at Sunday River on May 16-18, 2018. Most likely the topics will be a Marshall & Swift Commercial estimator class with others in the works.

Legislation – Kerry, there is a lot going on. We as assessors need to keep current on legislative issues before ME government and advocate for/against certain bills. Providing input from the Assessor's point of view kept a 706 bill from passing and moved back into committee and tabled. We can speak our voices as individuals but not as representatives of the IAAO.

Membership – Julie, we started the year with 52 paid member, 121 member at end of year, 59 paid for 2018.

Audit – Matt and Martine, Oct 27th audit was performed, all balanced. Good job Matt.

Newsletter – Judy, good job! Always accept new ideas and stories.

History – Wade, brought idea to the board, really a good thing. Darryl, goes back to 1986...looking for old posters for historical purposes.

NEW BUSINESS

Nominating – Wade, 2018 nominations were presented with newcomer Karen Scammon from Auburn and Phil Drew from Bangor joining the board. Wade Rainey and Martine Pinchaud have termed off of the board and were presented with certificates of appreciation. Kerry Leichtman was awarded a plaque as our past president, good job! Best president ever, per Judy. **NEW OFFICERS NOMINATION** as stated by James Thomas moves as stated, seconded by unanimous voice, all in favor, **motion passed.**
